

# Hike the Headlands

2019 Sponsorship Packet

## About NatureBridge

### Educational Programming

Founded as Yosemite Institute in 1971, NatureBridge connects young people to the wonder and science of the natural world, igniting self-discovery and inspiring stewardship of our planet. We are the largest residential environmental education partner of the National Park Service, offering programs in six national park classrooms: Yosemite, Golden Gate, Olympic, Santa Monica Mountains, Channel Islands and Prince William Forest.

### NatureBridge in Golden Gate

NatureBridge's two- to five-day overnight programs in the Golden Gate National Recreation Area offer students the opportunity for hands-on learning in one of the Bay Area's most pristine coastal areas.

Located just minutes from San Francisco, students can explore the shores of Rodeo Beach as well as 60 miles of coastal hillsides rich with beaches, cliffs, estuaries, chaparrals and woodlands. Using inquiry-based learning, students collect and identify macroinvertebrates in Rodeo Pond, observe seals from the bluffs and study the adaptations of tide pool creatures in our state-of-the-art intertidal marine lab.

Our curriculum is aligned with Next Generation Science Standards and our programs inspire equity, inclusion, diversity and social emotional learning through our activities integrating teamwork, awareness and compassion for the world around us.

# Hike the Headlands

## When

Sunday, September 22, 2019

## Where

NatureBridge's Golden Gate Campus  
1033 Fort Cronkhite  
Sausalito, CA 94965

## Contact

Jesse Muzzy  
267-221-4968

[naturebridge.org/hike](http://naturebridge.org/hike)

## What

Bring your friends and family and join us for NatureBridge's sixth annual Hike the Headlands event: an exciting day of exploration in the Golden Gate National Recreation Area.

Discover the Headlands with a NatureBridge educator and engage in hands-on science activities in the learning labs. There will be live music, delicious food, art, vendors and beautiful hikes that accommodate all levels and backgrounds.

## Sponsorship Benefits

Sponsors of Hike the Headlands connect with local leaders and changemakers in the growing realm of environmental education.

Corporate sponsors receive the opportunity to increase their brand exposure and position their organization as an environmental champion.

Past NatureBridge events have generated high profile coverage and publicity in media outlets such as the San Francisco Chronicle, Nob Hill Gazette, Marin

Magazine and Marin Independent Journal.

In addition to our standard sponsorship packages, we also offer engagement activities to meet your business and Corporate Social Responsibility goals.

Whether you are a corporate or individual donor who cares about the future of this planet, you can be assured that all net proceeds raised by the event will benefit the local Golden Gate campus of NatureBridge.

## Donation Description

In acknowledging noncash contributions, the IRS requires nonprofit organizations to describe the contribution received without placing a value on the gift. See IRS Publication 526—Charitable Contributions for information on the tax deductibility of gifts of goods/services.

Please provide a detailed donation description including: retail value, brand, model, color, size, title, location, product/service name, etc. We use estimated retail value information to understand the impact the value of in-kind donations has on event costs and fundraising efforts. Attach any additional documentation, descriptions and images.
