

Housekeeper NatureBridge in Olympic National Park

Summary

The housekeeper is a member of the facilities team specializing in cleaning. The housekeeper performs daily sweeping, mopping, restroom cleaning and other general cleaning. The housekeeper also performs many other cleaning and light maintenance duties around campus and may sometimes perform as host. This position is seasonal from Mid April through approximately mid October.

About NatureBridge

Founded in 1971, NatureBridge provides environmental science programs for students in the world's best classrooms—our national parks. Our mission is to foster environmental literacy to sustain our planet. Our programs do so by exposing students to the wonder and science of nature and inspiring the stewards of tomorrow. As the largest residential education partner of the National Park Service, NatureBridge serves more than 30,000 students and their teachers each year and offers programs in six national parks: Yosemite National Park, Golden Gate National Recreation Area, Olympic National Park, Santa Monica Mountains National Recreation Area, Channel Islands National Park, and Prince William Forest Park. In order to further our mission, NatureBridge is committed to supporting diversity, equity, and inclusion and to promoting equal opportunity for students and staff in the field of environmental education.
